

## **Appeal for Academic Scholarship, TCU Funded Awards, and Satisfactory Academic Progress**

The Office of Scholarships and Student Financial Aid has an established appeal process to review all appeals related to academic scholarships, TCU funded awards, and satisfactory academic progress.

If you are unclear as to why you no longer meet satisfactory academic progress standards for financial aid or have questions about completing the appeal form, please contact the Office of Scholarships and Student Financial Aid.

### **DIRECTIONS:**

- Complete and submit the Student Information Section of this form as well as the required documents as listed below.
- Submit via your TCU Portal under the Requested Information checklist by clicking the upload button. (Ensure you are in the 2026-2027 aid year.)

### **REQUIRED DOCUMENTS:**

1. A typed written letter of 500 words or fewer outlining your situation, addressed to the Financial Aid Advisory Committee.
  - Succinctly explain the extenuating circumstances that contributed directly to the loss of your scholarship or financial aid during the academic year.
  - Describe how you have modified your behavior or what changes have occurred that will allow you to meet the renewal requirements in future terms.
2. A copy of your Unofficial Transcript printed from the Student Center under My Academics/View my Unofficial Transcript. (Do not submit a Degree Progress Report.)
3. Complete a GPA calculation estimate for your next semester from the registrar's office website –<http://www.reg.tcu.edu/gpacalculator.asp>. Attach a copy. This step is for your benefit to determine what kind of grades will be needed to regain eligibility.

### **OPTIONAL DOCUMENTS:**

- Any supporting documents that speak directly to your extenuating circumstances upon which your appeal is based. (Documents already on file with the Dean of Students Office do not need to be attached.)
- Letters of recommendation.

### **GUIDELINES:**

- Be specific when explaining your circumstances. A lack of information or documentation will delay an appeal review or may result in a denial of your appeal.
- The committee assumes that each student submitting an appeal is dependent upon financial aid for the completion of his/her degree. There is no need to discuss your financial situation in this document.

### **APPEAL COMMITTEES:**

- The *Scholarship Advisory Committee* will review all academic scholarship appeals. Appeals meeting dates and deadlines to submit your appeal are listed under scholarship appeals on our website –[www.financialaid.tcu.edu](http://www.financialaid.tcu.edu).
- Satisfactory Academic Progress and TCU grant awards are reviewed by the *Academic Progress Appeals Committee*. Appeals meeting dates and deadlines to submit your appeal are listed under Apply for Aid for Current Undergraduate or Graduate/Professional and “Important Dates” on our website –[www.financialaid.tcu.edu](http://www.financialaid.tcu.edu).
